

Commands of Christ

Making disciples who make disciples,
while teaching them to obey all Jesus commanded

An adaptation of George Patterson's 7 Commands of Christ*

The “Sword” Bible Study Method

Hebrews 4:12 says, “For the Word of God is living and active. Sharper than any double-edged sword, it penetrates even to dividing soul and spirit, joints and marrow; it judges the thoughts and attitudes of the heart.”

This picture of a sword helps us to teach any passage of the Bible. When we think of a sword we think of four parts of the sword and six questions we need to ask.

The tip points up to the heavens:

What do we learn about God? Jesus? Holy Spirit?

The handle is held by people:

What do we learn about people?

Use the acronym “SPEC” to help remember 4 questions on the blades:

Left Blade:

Is there a sin to avoid? (S)

Is there a promise to believe? (P)

Right Blade:

Is there an example to follow? (E)

Is there a command to obey? ©

Instructions:

During the “Look Up” part of the 3/3’s meeting, you can tell the Bible story, then read the story from the Bible. After telling and reading the story, first pray and ask the Holy Spirit to teach everyone how to understand and obey this passage (John 14:26). Next, ask these questions one at a time. The questions are open for anyone to answer from the Bible. As people answer from scripture, the Holy Spirit will teach everyone how to understand and obey God and His Word. **As the facilitator**, keep the group focused on the specific story or passage you are studying. If there are seasoned believers in the group, they may intimidate new believers by jumping around from passage to passage. We do not want new believers to think that simply “knowing” a lot equals maturity. However, each week as believers learn more scripture, while obeying it, God will mature them in His timing. It’s always better to let people discover the truth for themselves than for the teacher to tell them. Trust the work and power of the Holy Spirit! Also, make sure all the answers come from the Bible, not simply someone’s opinion or “what I think this means to me.”

Command of Christ # 1 - Repent & Believe

Look Back

Care for each other by giving a brief life update & cast vision for **loving accountability**:

“Each week we all will make specific goals at the conclusion of our meeting. We will set goals in two areas: obeying Jesus and sharing Jesus. Then, on the following week, we lovingly hold one another accountable by asking ‘How did you do last week with your goals?’ By obeying & sharing Jesus, God will continue maturing us to look more like Jesus, so we can advance His mission together.”

Discipleship Meeting Format - Pattern of Care (3/3's)

"Teach them to obey my commands" -Jesus in Matthew 28:20

In joining God on His mission to reconcile the world, Jesus makes clear that we must teach disciples to obey all His commands (Matthew 28:20). To do this, there are three elements of this meeting format worth pointing out: Loving Accountability, Practice, and Goal Setting. These three elements are essential to making disciples who obey Jesus and multiply. Without loving accountability and goal setting, the gathering will become a content-heavy meeting with little to no obedience. Without practicing what is taught (and teaching something simple enough to be practiced) it is hard to expect disciples to reproduce what they are learning. We see all three of these elements throughout Jesus' ministry in the Gospels. To study just one example, read Matthew 9-10. In chapter 9, Jesus models how to advance the kingdom by praying, healing, casting out demons, and proclaiming the good news. Then, He gives his disciples authority and instructs them to do the exact same thing in chapter 10 (Also Luke 9-10). After going to the towns where Jesus sent them, they were accountable to report back to Him. Jesus was teaching and modeling a pattern of discipleship, which His disciples were able to practice throughout the Gospels, and continue reproducing in Acts. Jesus multiplied himself by teaching his disciples and having them do likewise; He taught them to know Him and obey what He said. In the same way, we can teach simple biblical tools and stories which every disciple can practice and obey. Each week there will be a new command of Jesus, and new story that illustrates this command. In the practice portion, each person will practice retelling the story to someone in the group. Through practicing, disciples will begin to build confidence and competence to obey Jesus, share him, and continue the pattern of making more disciples. Without practicing, it is difficult to expect disciples to multiply. So each time you connect for individual discipleship, group discipleship, church gathering or leadership training, if you are short on time, don't skip: **Accountability, Practice, & Goal Setting**. In order to get through the study and prevent one person from dominating the time encourage your group to speak in bullet points and not lengthy paragraphs if possible.

This discipleship format (known as T4T or the 3/3's process) has been field-tested all over the world in most contexts and provides what is necessary to prompt Gospel-based obedience discipleship which can multiply healthy disciples, groups and churches. When you gather with your disciples, commit to using the following "three-thirds" format* *The [T4T](#) "three-thirds" or "3/3's" format created by Ying & Grace Kai

Church Circle

First, draw a dashed circle. This dashed circle represents a gathering of believers.

These symbols represent 9 basic functions of a church we see in Acts 2:36-47. Some of these functions have already been studied in the 9 lessons, others have simply been practiced week to week without studying a specific lesson

Second, draw each of the functions which your gathering is consistently practicing **inside** the circle. Draw the functions which your gathering has not yet practiced **outside** the circle.

Finally, if a gathering has identified itself as a "church", then you may make the dashed line **solid**. The goal is to have a church become healthy and practicing all the functions as modeled by

In this example above, the gathering has practiced some very important functions of a church. However, there are a few functions that have yet to be practiced. If your church has yet to practice all the functions, make an action plan to

Care for each other by giving a brief life update & cast vision for **loving accountability**:

“Each week we all will make specific goals at the conclusion of our meeting. We will set goals in two areas: obeying God’s Word and sharing God’s Word. Then, on the following week, we lovingly hold one another accountable by asking ‘How did you do last week with your goals?’

1. Who is the Bible primarily about? God (Gen. 1:1)
2. How did God create, and why is this significant? By His Word and it is powerful and authoritative (Gen. 1:3)
3. What is significant about the repeated phrase “And God saw that it was good?” Highlights God’s perfection and His original design for the world. (1:12)
4. What is God’s purpose for the world & for humanity? To glorify/reflect Him (Psalm 19:1, Isa. 42: 12, 43:7)
5. What makes humans distinct from the rest of creation? Created in God’s image/likeness. (Gen. 1:26) Discuss some ways we are like God and the rest of creation is not. (We can know Him with our minds, love Him with our hearts, obey Him with our wills) We can have a relationship with God in a way the rest of creation cannot.
6. How do we glorify God? By loving Him above all else and joyfully obeying His commands. (Dt. 7:9)
7. What did God mean when He declared that the finished creation was “very good?” Everything worked the way it was supposed to work. There was perfect peace between God-People, People-People, & People-Creation, People-Self. We all long to live in this perfect world free of evil, pain, and death (Gen. 1:31)

1. What is sin? Rejecting or ignoring God in the world he created, not being who or doing what he requires, in his law/commands. (Gen. 3:1-6,)
2. What is the consequence of sin? Death (Spiritual, Physical, and Eternal). Separation from God and brokenness (Gen. 3:7, 21, 24, Rom. 6:23a, 2 Thes. 1:9)
3. Why did Adam and Eve hide from God and cover themselves with fig leaves and why was this an insufficient remedy to their problem? Their relationship with God had been broken and they were filled with fear, guilt, shame and the desire to make things right again (beginning of works based religion). The penalty for sin is death, therefore no attempt by man to remedy sin through good works, or covering it up, is sufficient. (Gen. 3:7-8)
4. What does Adam and Eve’s sin mean for us? That we are all born in sin and guilt, unable to perfectly love God and keep His law. (Psalm 51:5, Rom. 3:26,5:12)
5. What is our greatest need? For God to save us from Satan, sin, and death and restore us to himself. (Gen. 3:15, Ephesians 2:1-3)
6. Discuss evidences of brokenness in the world and in your life today? Keep in mind the 4 relationships we have: God, other people, the world, and within ourselves.

Setup: (Gen. 4-21) From sin’s entrance into the world death and destruction permeate every aspect of creation.

God destroys the earth with a flood and graciously preserves and starts over with a man named Noah & his family through whom the Rescuer will come. Once again death and destruction run rampant through every aspect of creation. God’s plan unfolds through His choosing of an idol worshipping old man named, Abram. He promises to give him a son through whom people from every nation will be blessed/rescued.

Look Up

Setup: Over 2000 years had passed since Abraham’s death and God had not yet sent the Rescuer. Israel was awaiting the Rescuer, but their expectations were incomplete and self-serving. They looked for a conquering king who would crush their enemies (mainly Rome) and exalt them to political prominence in the world. The Rescuer God would send would be far better than this.

What were the three clues we remembered from last week about the Rescuer? Son of David, Abraham, suffering servant. Read Matthew 1:1

What do you know about Jesus? Began his ministry around the age of 30. He proved that He was truly God by living a sinless life, teaching with great wisdom and power, healing the sick, walking on water, calming storms, casting out demons, knowing men’s hearts, and raising the dead. He proved that He was truly human because He wept, laughed, ate, grew tired, bled, and was sorrowful. After 3 years of ministry...

Setup: After Jesus’ resurrection, He remained with his disciples 40 days before ascending to heaven. His final command was for his followers to make disciples of all people and He promised to provide them with His power & presence to guarantee the missions success. He did this by sending the Holy Spirit to dwell inside of them. As the disciples preached the good news of Jesus and loved loudly thousands of others decided to follow Jesus. This gathering of Jesus’ followers was called the Church. For over two thousand year now the Church has grown throughout the world as Jesus’ followers love Him and obey His commands. This will continue until the good news is proclaimed throughout the whole world, and then the end will come.

Stories Of Hope

Can I use different stories or change the order of the current stories? Yes. The process is much more important than the content. So feel free to experiment with different stories or the order as the Holy Spirit leads you. We recommend sticking to stories of Jesus from the Gospels that contrast Jesus with man. **We do not recommend changing the 3 thirds process.**

What if everyone in my group accepts Jesus before we finish? If this happens, disciple them; teach them to obey the commandments of Jesus with the Commands of Christ study.
